## EMPLOYEE RIGHTS ACT

America's basic labor law hasn't been substantially updated since 1947. Since then, workplaces have changed, and union organizing tactics have become more aggressive. It's past time to restore rights to individual employees. The eight reforms of the Employee Rights Act ensure that unions treat employees fairly.

**1. GUARANTEED SECRET BALLOT ELECTIONS**

**5. PERSONAL PRIVACY PROTECTIONS**

**2. SCHEDULED UNION RECERTIFICATION**

**6. COERCION PREVENTION**

**3. POLITICAL PROTECTION**

**7. GUARANTEE SECRET BALLOT STRIKE VOTES**

**4. MAJORITY VOTE PROTECTION**

**8. CRIMINALIZE THREATS BY UNIONS**
